

The Hamilton Downtown Mosque extends a public invitation to the Hamilton community to take part in the annual Open House on Saturday November 26, 2011.

Our mosque is always open to visitors of all religious faiths and cultures; however, this is a special opportunity for us to open the channels of communication in an atmosphere of goodwill.

Come and see the activities that take place in the Mosque, get to meet Muslim members of your community, and ask anything that you were curious about.
